FOOT PEDAL
PUSH START

Clean your home to perfection with the new compact and lightweight Typhoon 11 Bagless Vacuum Cleaner from Prestige CleanHome. This powerful vacuum cleaner comes with a 1600W motor which helps in keeping your home clean and spotless. It's bagless dust compartment eliminates the need for repeated changing of bags, thereby reducing maintenance costs. Besides being portable, the sturdy buttons and the 5m long wire lets you clean even the far-off corners easily. This vacuum cleaner is also equipped with an automatic cord winder that recoils the long wire once the cleaning is over.

LARGE DUST BAG
CAPACITY

Clean your home to perfection with the new compact and lightweight Typhoon 04 Vacuum Cleaner from Prestige CleanHome. This powerful vacuum cleaner comes with a 1600W motor which helps keep your house looking spotless. The suction-speed controller allows fine-tuning the suction power to suit different surfaces, making cleaning effortless. Besides being portable, the sturdy buttons and the 5m long wire lets you clean even the far-off corners easily. The large dust bag ensures that you don't have to frequently clear the bag off dirt and dust, and the cord winder automatically recoils the long wire once the cleaning is over.

Fresh and clean air is essential for the well-being of your family. With harmful pollutant particles like dust, hair, gases, bacteria and viruses, the air inside your home is up to 10 times more polluted than outdoor air. CleanHome Air Purifier with advanced 5-stage filtration, cleans the air and reduces the spread of cold, flu and more, by eliminating airborne bacteria, viruses and germs. It also cleans the air at home, keeping it fresh and clean by eliminating odours such as cigarette smoke, dust and pet odours.

This air purifier is ideal for a room up to 385 sq ft in size. It features the revolutionary HEPA filtration, which inhibits the growth and spread of allergens more than 99 percent. With advanced filtration technology, intelligent control panel and aesthetic design, the Prestige Air Purifier is a must for your family.
