We, at BNI N E W Delhi have built a strong platform of business opportunities and an equally strong business community.

To highlight the milestones, we are 16 chapters strong with 7 more upcoming chapters this year. You may refer to the location and Launch schedule on the back cover of this roster for details.

BNI is a proven networking platform and our region is really excited to list down the additional networking avenues for you in the coming days!! Do not shy away, as a networker, I welcome you to participate whole heartedly.
