# Appliances

---

Every Indian kitchen has its own set of traditions and needs. That's why at Borosil, we build our appliances to adapt and blend into your world, and craft them using only the finest quality parts and state of the art engineering. We understand that small things like designing our chopper to cut the most commonly used vegetables in an Indian kitchen, or a longer chord on a mixer-grinder, go a long way in making our customers' lives better. Whether it's a home-maker, working woman, or a young bachelor, our appliances are designed to make lives simpler, smarter and better.

## FOOD PREPARATION

If you have ever wished for an efficient kitchen partner to help you lay out a lavish spread, look no further. Grinding, chopping, or mixing, our salad cutter and mixers do it all. So from delicious chutneys to homemade masalas to perfectly chopped vegetables, our food preparation line is your perfect partner in cooking.

### NUTRIFRESH

More than just a blender, the compact and easy to use Nutrifresh breaks down whole fruits & veggies to extract maximum nutrition.

### MIXER GRINDER

With powerful motors, superior quality blades and much more, our mixer-grinder will soon become your best friend in the kitchen!

### JUICER MIXER GRINDER

Combining the best of both worlds, our Juicer Mixer Grinder is for those who like things all in one.

### JUICER

Our juicers ensure maximum nutrient extraction and efficient juicing, so that every sip of juice you drink is as good as can be.

### CHOPPER

Chopping veggies with the push of a button, the choppers take the pain out of cooking, so you can focus on the parts you actually enjoy!

### HAND BLENDER

Perfect for blending soups, purees, lassis, etc, the powerful and well designed blenders ensure superior performance.

### HAND MIXER

Whether for whisking batters, kneading dough, or blending soups- we have something to do it all!

# Beauty meets performance

## COOKING

OTGs with six-stage heating options (including cutlets and samosas!). A motorized rotisserie for tikkas and kebabs. A rice cooker that doesn't just come with built-in settings for your favourite curries but also has a timer function to cook while you're away. Our range of cooking appliances have been designed keeping in mind the wide variety of foods cooked in Indian kitchens. The range is efficient, multi-tasks and performs beautifully - just like you.

### OVEN TOASTER GRILLER

Convection ovens with built in rotisseries! Our OTGs do so much more and so much better.

### RICE COOKER

Put it and leave it - our range of digital rice cookers allow you to do just that. And they'll even keep it warm for when you are ready to eat.

### ELECTRIC PRESSURE COOKER

Your favorite Rajma/Chole/Rice/Biryani or any other sabji can be cooked with no hassles of counting whistles. It also ensures the vitamins and nutrients of the food is protected through pressure cooking technique.

### SANDWICH MAKER

The deep ribs and high quality plates ensure that you will always enjoy perfectly grilled sandwiches and paninis.

### TOASTER

Each toast will be perfectly browned, just the way you like it in our range of Borosil toasters

### INDUCTION COOKTOP

Energy efficient, safe, and easy to use! With preprogrammed modes especially for Indian food, flameless cooking makes cooking a breeze!

**CONVECTION HEATING FOR 360° HEAT FLOW****CONVECTION HEATING**

Convection heating helps to cook the food evenly and quickly so the end result lights up the faces of your loved ones!

**THE FIRST STEP TO A PERFECT GRILL****MOTORISED ROTISSERIE**

Sit back and relax! The motorised rotisserie will do all the work. Enjoy perfectly cooked and evenly grilled food, every time.
